Chairwoman
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for a project to conduct stream bank restoration activities on a section of Camp Creek, located in the headwaters of the Yellow River, that flows through Lilburn City Park in fiscal year 2024. The entity to receive funding for this project is the City of Lilburn, Georgia. The address is 340 Main Street Lilburn, Georgia 30047. The funding would be used to conduct stream bank restoration. This project is an appropriate use of taxpayer funds because the proposed Camp Creek Streambank Restoration Project will protect and preserve the banks from further erosion and flooding.

The project has a Federal nexus because the funding provided is for purposes authorized by Title IV of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath
Member of Congress
